Maison Noisette

French technique, Lebanese soul · Pâtisserie · Beirut

About us

Maison Noisette is a French-Lebanese pâtisserie on Armenia Street in Mar Mikhael, Beirut, founded in 2021. We bake classic French pastry every morning using Lebanese ingredients: Chouf honey, Batroun lemons, orange blossom, rose water and local pistachios.

Mission

To make French pastry with a Lebanese soul, baked fresh every day, and to waste nothing doing it.

Unique value proposition

- **Flavors you won't find elsewhere:** French precision paired with Lebanese flavors, for example pistachio-rose éclairs and orange-blossom ashta millefeuille.
- **Cakes designed by an artist:** every custom cake is designed by our cake designer, not chosen from a catalogue.
- **Zero-waste promise:** unsold pastries go to a local food-rescue partner every evening, and all our packaging is compostable.
